

Clinical Opportunities for Summer 2020

Please note that this is not an exhaustive list AND some deadlines are in January and February. Check the websites for dates and application information!

Project L/EARN The summer program is an intensive ten-week internship opportunity for qualified students who would like to obtain research skills and "hands-on" experience in health services research under the guidance of a distinguished faculty mentor. Information and an application can be found at: <http://www.ihcpar.rutgers.edu/projectlearn/>

Rutgers Robert Wood Johnson Medical School Participants will have the opportunity to shadow clinical faculty members at the medical facilities in New Brunswick, New Jersey. Distinguished faculty from a variety of specialties will host students. Students will be paired with faculty in specialties representing students' interests. The program runs 5 days a week for 6 weeks. Program dates will be released shortly. Information and an application can be found at: http://rwjms.umdnj.edu/education/admissions/summ_clinical.html

Princeton HealthCare System's Pre-Health Professional Volunteer Program will provide opportunities for undergraduate students to explore the health sciences field before making applications to medical school or other professional graduate programs. This program will operate from the first week of June until the first week of August. Information and an application can be found at: <https://www.princetonhcs.org/volunteer/pre-health-professional-program>

Hackensack's Volunteer Summer Clinical Research Frequently asked questions relating to the program can be found here: <https://www.hackensackumc.org/services/pediatrics/2017-summer-clinical-research-program-faq/>. Information and an application can be found at: <http://kids.hackensackumc.org/2017-summer-clinical-research-program-in-pediatrics/>

2020 U Massachusetts Medical School Combined Summer Undergraduate Research Opportunity is a non-credit, ten-week, structured research experience sponsored by UMMS Office of Outreach Programs. The program consists of "hands-on" laboratory research with an investigator serving as a mentor, role model and advisor. For more information and an application, visit: <http://www.umassmed.edu/summer/>

Overlook Hospital, Summit, New Jersey Summer Internship All materials must be submitted by February 1, 2020 to be considered. Skype interviews will take place in February 2020. Final decisions of acceptance will be made on or about March 30, 2020. This program runs from June 1-26, 2020. For more information, go to: <http://www.atlantichealth.org/overlook/for+professionals/helpful+resources/overlook+summer+internship+program/>

Children's Hospital of Philadelphia summer research opportunities

Paid summer internships (non-clinical and project-based learning) with healthcareers.org
<http://chk.tbe.taleo.net/chk04/ats/careers/requisition.jsp?org=HEALTHCAREERS&cws=57&rid=115>

Newton Hospital During the program, you will shadow these professionals in one-day rotations to see what life is like in each particular field. Rotations include experience in the operating room, emergency department, hospital floors, physician offices or meetings. You will have the opportunity to interact on a personal basis with the health care professionals. Each day, Monday through Friday, begins with a one-hour discussion led by a professional who will discuss his or her field. The focus of this group will be on the lifestyle and the pros and cons of each field. For more information, go to:
