

Clinical Opportunities for Summer 2022

Please note that this is not an exhaustive list AND some deadlines are in January and February. Check the websites for dates and application information!

Project L/EARN The summer program is an intensive ten-week internship opportunity for qualified students who would like to obtain research skills and "hands-on" experience in health services research under the guidance of a distinguished faculty mentor. Information and an application can be found at: <https://ifh.rutgers.edu/project-l-earn/>

Rutgers Robert Wood Johnson Medical School Summer Clinical Internship Program Participants will have the opportunity to shadow clinical faculty members at the medical facilities in New Brunswick, New Jersey. Distinguished faculty from a variety of specialties will host students. Students will be paired with faculty in specialties representing students' interests. The program runs 5 days a week for 6 weeks. Program dates will be released shortly*. Information and an application can be found at: https://www.rwjms.rutgers.edu/education/medical_education/programs-prior-to-medical-school/programs-for-undergraduate-students/summer-clinical-internship-program

*The Office of Admissions at RWJMS will post in February 2022 regarding the summer of 2022 offering

Princeton HealthCare System's Pre-Health Professional Volunteer Program will provide opportunities for undergraduate students to explore the health sciences field before making applications to medical school or other professional graduate programs. This program will operate from the first week of June until the first week of August. The 2022 Pre-Health application will be available on February 1, 2022. Information and an application can be found at: <https://www.princetonhcs.org/volunteer/pre-health-professional-program>

2020 U Massachusetts Medical School Combined Summer Undergraduate Research Opportunity is a non-credit, ten-week, structured research experience sponsored by UMMS Office of Outreach Programs. The program consists of "hands-on" laboratory research with an investigator serving as a mentor, role model and advisor. Frequently asked questions relating to the program can be found here: <https://www.umassmed.edu/gsbs/outreach-programs/summer-undergraduate-research-program/application-faqs/>. For more information and an application, visit: <http://www.umassmed.edu/summer/>. The application submission deadline is *March 1, 2022*.

Overlook Hospital, Summit, New Jersey Summer Internship is a non-credit program designed for college students who are considering applying to medical school. Only students with at least two years of college experience by the time the program begins can apply. All materials must be submitted by January 31, 2022, to be considered. Skype interviews will take place in February 2022. Final decisions of acceptance will be made on or about March 1, 2022. This program runs from May 31, 2022 and ends on June 24, 2022. For more information, go to: <http://www.atlantichealth.org/overlook/for+professionals/helpful+resources/overlook+summer+internship+program/>
