HPO procedures and policies for the compilation and release of letter packets:

- We do not customize packets for individual schools.
- While students may request particular letters, the letters which comprise each packet are ultimately selected by the faculty/staff of the HPO.
- Without exception, letters are sent by the HPO staff. **Letters are never given to students.**
- All recommendation letters should be received and visible in your HPOdrome account before signing the release form.
- Release forms are processed on a first-come/first-served basis.
- Please allow **at least two weeks** between submitting this form and the actual release of letters. During our busiest times (July through September) there may be a **longer wait**.
- Faxing is not a confidential means of transmission, and some schools will not accept a fax.
- It is the student's responsibility to submit release forms to this office in sufficient time to meet deadlines.
- **We cannot upload letters to application services.** We can only create a packet of letters from your HPOdrome file and send them to an email or regular mail address.

HPO Processing Fees offset the submittal cost and support the activities of the HPO:

- There is a \$5.00 **non-refundable** per school fee for every school or program via US Mail or email. Note: For email delivery we require a verifiable address at an educational or research institution. All such requests require a minimum of 3 business days to process and send.
- If your material must be faxed, there is an additional \$5.00 **non-refundable** fee per school or program.
