Rutgers, Health Professions Office Presents

Mind the Gap: Exploring what to do during the Gap Year

Are you a prehealth student who wants to explore Gap Year Options?

Did you know that 62.6% of the 2017 incoming MD class took one or more gap years?

DATE: Wednesday, March 13, 2019

Time: 1:00 – 4:00 pm

Location: College Avenue Student Center Multipurpose Room and Main Lounge

Join us to hear about some of the most popular programs with Rutgers students. You are welcome to come and hear presentations and speak with representatives from area academic/graduate programs and clinical/service programs.

Mark the date, more information about participants will be coming.
